## ABRASIVES

*The only way to finish.*

### Who we are.

Marvel is a brand born on a vision of finishing solutions. We have been manufacturing USA made coated abrasive products since 1936. Proven early on as pioneers in the industry, we are one of the first manufacturers of resin fibre discs in North America. We focus on innovative thinking, revolutionary design, reliable functionality, and maintaining a vigilant commitment to unsurpassed craftsmanship. Simply put, we're all about quality and we go the distance to ensure you get the job done right.

### How we get it done.

We want to help see your project through to completion, and we fully understand the effort it took to get to where you are. That's why we use only the highest grade of materials to manufacture a premium level of coated abrasive products that minimize waste and maximize efficiency. We offer a wide range of finishing products to improve your application specific needs and situations. After all, we are...
