Product Offering

Products listed are the standard offering for distributors. All Bullard products are available for private branding. Prices and minimum order quantities for those outside this standard offering are determined on a case-by-case basis.

Wheel Blotters

All blotters are bar code readable and pressed into the wheel. Flap disc blotters are printed on white paper PSA and added to disc. All blotters require signed customer approval. Certain industry standards such as warning and icon information are required and used at our discretion.

Box Labels

All box labels are bar code readable and are full color. Box labels are subject to the same terms and conditions as wheel blotters.

Packaging

All prices are based on standard Bullard packaging as listed in our product catalog. Additional charges will apply for non-standard packaging.

Pricing

Prices listed are net per wheel. No additional costs for any blotter/label work. Based on standard Bullard packaging.

Terms

1% 10 days, Net 30 days.

Minimum Order Quantities

(All per line item)

3" - 6" Cut-Off - 1,000 pcs.

7" - 9" Cut-Off - 500 pcs.

12" - 16" Cut-Off - 250 pcs.

Type 27 Combo Grind/Notch/Cut - 500 pcs.

Flap Discs - 200 pcs.

Lead Time

Delivery is 10-12 weeks for initial order. Allow four (4) weeks for subsequent orders.

Freight

Freight is prepaid on orders exceeding \$1000. All other orders are freight collect.

Liability

Bullard Abrasives provides a Certificate of Insurance upon receipt of initial order. Standard ANSI Code B7.1 rules apply and violation can nullify the certificate.

Returned Goods

All private branded goods are the sole property of the customer after invoicing. No restocking of private branded products. All other returns must be approved by Bullard Sales Management.
